Re : Notification regarding preliminary revenue expectation from Stock Wave Newspaper dated October12, 2007

Attn: The President
The Stock Exchange of Thailand

Thitikorn Public Company Limited would like to notify regarding Stock Wave News according to the Company management interview regarding preliminary revenue expectation. The Company management did not specify that the total revenue will reach 2.2 billion baht as quoted in the news. The Company management gave an interview regarding the Company total revenue on the first half of 2007 which increased by 5% compared to the same period of last year which was public information. Moreover, the Company preliminary total revenue expectation was to increase by 5 to 7 % for the fiscal year 2007 from motorcycle portfolio expansion.

Please be informed accordingly.

Your faithfully,

Mrs.Buskorn Liaummukda
Director
